

Terms and Conditions

Million Web Services is a private organization that offers standard or customized IT, Cloud Computing and storage solutions to its clients. Million Web Services is not legally binding to provide the complete suite of services if a particular services agreement is in place and the client has requested for few selected services. In addition, Million Web Services takes no responsibility for any outcomes that are not the direct consequence of any of the services it offers to its clients. Million Web Services also does not take any responsibility for the results any client is expecting other than explicitly mentioned in the services agreement.

All the information available on this website is shared only for informational purposes. Million Web Services Pvt. Ltd. does not assume any responsibility for the accurateness, quality or completeness of the information and is not responsible for any errors, omissions or inaccuracies. Furthermore, all the information available on the Million Web Services website is proprietary to Million Web Services, and publishing and distributing any part of this information without the prior written permission of Million Web Services is strictly prohibited.

Privacy Policy

At Million Web Services, we take the privacy of our clients seriously and do not sell information to any third party. We collect data from our clients solely for the purpose of registration, and to offer best possible services. To protect the data of our clients, we have also set up non-disclosure agreements that makes us legally binding to data privacy.
